LEGAL SERVICES AFFAIRS

ABOUT US

Swiss Law International is an Immigration Consulting Company that creates opportunities for prospective immigrants to achieve their purpose through a well-planned immigration strategy that is based on our in-depth understanding of Switzerland's Immigration Law.

Having over 20 years experience, we are a one-stop destination for comprehensive services covering Swiss Immigration Legal Affairs. We offer professional expertise in foreign law and immigration, and we assist clients through our variety of interesting services relating to legal problems and inconveniences to ensure your immigration plan runs smoothly and you achieve your goal.

Since our inception, we have provided professional

legally sound consulting services to countless individuals and families, leveraging our professional expertise to provide tailored solutions to their specific needs, and supporting them in turning their dreams into reality.

With us handling every phase of your immigration process, you have competent hands to rely on in achieving your goals without any hassles.

OUR VISION

To provide legal consultation, legal representation, and legal counsel according to Swiss administration law, serving the interest of clients and supporting them to achieve their goals.

OUR MISSION

To deploy our in-depth knowledge, expertise, and experience to create new opportunities for our clients and solve their problems through our legally-backed support.

WHAT WE DO

Swiss Law International is an immigration and legal consulting firm that provides bespoke services relating to immigration and other administrative requirements.

Our expertise lies in all aspects of the immigration process, employment law, company formation, debt collection law, family mediation, relocation, pensions in Switzerland, family reunions, Swiss Schengen visas, etc. As such, you receive legally-backed guidance, advice, and answers to any question you may have to ensure you are on the safe side and you are on a well-thought-out approach.

What matters most is listening to clients, focusing on their exclusive needs, and mobilizing our resources to provide the right assistance they need to achieve their goals. We take pride in our understanding of Swiss Immigration Law and other laws that apply to the services we render.

To us, your goals and interests are valid and we will join hands with you to turn them into reality!

WHY CHOOSE US

Relocation Assistance: We assist our clients in relocating to any country of their choice. We make it easy for them to move abroad, access new opportunities, and begin a new life in the country of their choice. We follow the legally-approved route to take our clients to their proposed destination.

Swiss Immigration Law: Everything we do is based on our in-depth understanding of the Swiss Immigration Law. With such understanding, we are able to provide proper consultation and guidance to clients. We help our clients make the most of the Law to achieve their goals without any issues.

Client Satisfaction: We are client-centered; hence, we conduct our activities to serve the interests of our clients. We tailor our solutions to meet the needs

of clients in the most seamless way. There is no challenge too daunting for us to help our clients overcome. We are committed to our clients as we become their indispensable support system.

Collaboration and Partnership: We maintain partnership relationships with major stakeholders in the immigration sector of the country. This relationship is vital in providing seamless services to clients. Also, we collaborate with companies, employers, educational institutions, etc. to facilitate the achievement of our client's goals in the country.

OUR SERVICES

Legal Consultation: We provide legal consultation for clients via the telephone across their diverse needs while relying on our expertise in Swiss Law to proffer the right legal counsel, solutions, guidelines, and strategies for them to record success over their respective needs. We listen to clients and become their friendly ally giving them a step-by-step process to help overcome their challenges and meet their needs. We also interpret the law to them with a view of helping them comply with the dictates of the law.

Such areas include:

- Immigration
- Labour Law
- Company Establishment
- Relocation to Switzerland
- Swiss Insurance
- Family and Company Mediation
- Debt Recovery
- Recovery of Pension Funds
- Etc.

Immigrate to Switzerland: We provide bespoke support for people who are planning to immigrate to Switzerland. With our in-depth understanding of Immigration Law, we are in the right position to help people with their relocation plans to Switzerland, settle in, access opportunities, and move on with their lives. We make all these possible for our clients without causing them unnecessary stress.

Relocation: We also assist people who wish to relocate to other places from Switzerland to seek opportunities. We lead our clients through a clear-cut approach based on our understanding of international immigration laws. With us, your relocation plans have better chances to lead you to your desired destination with a guarantee of peace of mind.

OUR CORE VALUES

- **Integrity:** We are trustworthy and honest. We uphold our high standards of reliability and credibility in our interaction with people and approach to problem-solving.
- **Ethics:** We conduct all our activities with utmost regard to the ethical and professional laws guiding the industry. We do not violate any law nor do we encourage our clients to do so.
- **Dependability:** We prove ourselves to be our client's dependable ally and solution provider. We are always reasonable, courteous, and professional in all our dealings.
- **Solution:** We are a solution-oriented company, deploying our services to meet the specific needs of our clients

and helping them achieve their goals without any hassles.

- **Flexibility:** We offer a distinctive approach to each client's needs. We understand the uniqueness of their requirements and we go the extra mile to satisfy them.
- **Excellence:** Our competence in law is what we leverage to record excellence. We have a reputation for achieving success in all our undertakings as we turn the desires of clients into reality.
